INSPIRE

Through day-projects within our local community and week-long international mission trips, students have the opportunity to live out the seven Catholic Social Teachings and learn how to be people for others. We also serve the SHU community day-in and day-out, beginning with the open-door invitation to the entire SHU community, students may rest, grab a snack, or do homework between classes. Campus Ministry also offers several different faith sharing groups that allow students to gain inspiration from one another and hopefully turn inspiration into action.

PRAY

Prayer is at the heart of our mission and identity and part of the Catholic Intellectual Tradition. Mass is held Monday through Thursday at 12:30pm, and at 12pm and 7pm on Sundays throughout the school year. There are also opportunities to get involved through Liturgical Ministry, as well as joining our Praise and Worship nights. In addition, we offer nights of different prayer experiences such as Taize, Centering Prayer, Lectio Divina, and Adoration. SHU Campus Ministry welcomes students of all faiths, backgrounds, and traditions to participate and interact with our office.

COMMUNITY

Campus Ministry’s activities, from retreats to Massapoloza to Agape Latte, which features caffeinated conversations on faith and life, and offers students a chance to relax with their friends, grab a cup of coffee, and learn from those around them, allow students to focus on a life of peace through spiritual reflection, discussion, and friendship. Our Peer Ministry Team (PMT) is at the core of our mission and events - they are our student leaders who plan and execute many of our events, and are on campus to spark community and relationship at SHU. All of the experiences through our office give students opportunities to pray, build community, and explore where God is in their lives.
