**SHUCard**

**WHAT IS A SHU CARD & WHY DO YOU NEED ONE?**

Your SHU Card is your passport to most on-campus services and is also a student debit card. Your card is active as long as you are a student!

**USES:**
- As your Room Key
- For your meal plan
- Get your ID Number
- Do your laundry in the halls
- Ride the SHUttle
- Library Card
- Shop at various off campus vendors
- Proof of ID on Campus
- In Vending Machines
- Attend Student & Athletic Events

Replacement SHU Cards are $25 and can be purchased at the Campus Concierge

---

**Your SHU Accounts**

There are four separate accounts linked to your SHUCard that will automatically be opened when you register for classes. These are your Meal Plan, SHUCash General Account, SHU Laundry Account and your Print Quota.

**Your SHU Cash General Account**

It operates like a checking account without having to pay service fees, write checks, or balance your account. Your General Account can be used at any of our participating off-campus vendors, any on-campus Chartwells location, the campus bookstore and at any campus vending machine. Your money will carry over throughout your time at SHU.

**Adding money to your SHUCash General Account:**

You can add funds to your account by visiting our VTM (Value Transfer Station) which works like a reverse ATM. Simply deposit cash or use a credit card to deposit SHUCash. You may also use your Blackboard account to deposit funds electronically.

**Your Meal Plan**

All residents are required to choose a meal plan. Your plan allows you to eat at any Chartwells dining location. These points cannot be transferred year to year, but 250 points will carry over from Fall to Spring semester. Points can only be used at Chartwells locations.

**Your Print Quota**

This pre-funded account provides you with an initial "free" University funded printing and copying after, which will charge you a fee per page. Your quota is associated with your SHUCard, and the cost of your printing will be deducted from your quota as you print or copy.

**Your SHU Laundry Account**

This is a debit account that gives every resident student 65 laundry cycles per semester. For most students, this is more than enough, but if you should run out of laundry cycles, the machines will also accept your General Account.
